The enclosed message
may be harsh, I know.

We do appreciate a lot
of your programs. The last ones
we really liked were President
Nixon's funeral, Garrison Keillor &
D. Day. I was 11 years old on D
Day. Your presentation touched me

deeply. I lived in Marblehead,
Mass. and the war news sent
of frightened me. So many brave
people. I give thanks for
them all.

Sincerely,

Dear Mr. Lamb,

Your attention to charges against President Clinton involving "Whitewater" have become excessive. Now, daily, we have that and the charges by Paula Jones! I can hardly believe C - Span would consider the latter as important enough to have daily discussion about.

There are some politicians, religious groups and Arkansas personalities who give the impression that they would welcome a chance to replicate

Watergate and President
Nixon's resignation. If you
could only feel the sadness
I have for our country and
the Clinton family.

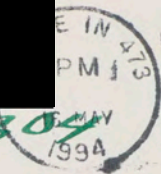

We have a very special
government. We always abide
by election results - that is
the hallmark of our country.
Have a care how it is
perceived in the minds of
your viewers! The rest of the
media reports these stories as
if there is nothing else
happening in our country or
in the world.

Bill Clinton is bright,
well-informed, works hard
and has an amazing amount
of courage. I wish that
my own courage was as
great.

Sincerely yours,

Muncie, Indiana 47304
