

Dear Brian; Re: "Roundtable" Phone-In Supporters

Everyone knows the Country is mostly
Conservative and that has been re-
flected in the "Call-ins" over the
years - especially since Clinton was try^{to}
elect!! 5 to 1 Calls favor Republicans ^{why try that} to change parties

Everyone - Republican, Democratic & in
"other" has an equal chance to call
but by "dividing the lines" now, you
are trying to be "politically correct" &
I am disappointed in CA Span - We
are retired & loved to watch the morning
call ins but you have taken the fun
out of tallying the calls pro & con. ^{Do!} Please STOP
fettering!! Respectfully,

O.W.J
