Dear Mr. Lamb:

On behalf of the students who participated in the Close-Up program in Washington, D.C., I would like to thank you and all the sponsors for their time, efforts, and financial support that enable programs such as these to exist.

The programs given were well planned and well organized. Through the question and answer discussions, small seminars and workshops, we were able to better understand the democratic system.

We, at [REDACTED], hope that you will continue to support quality education through your continued support of programs like Close-Up. It is dedicated people like you, working together and giving so generously of your time and money, that keep these programs alive.

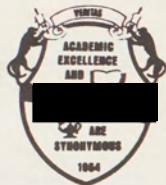

Once again, thank you.

Sincerely,
