Dear Sir -

Everyone in my family, including college-
agers - love this series. It is the BEST
TV has ever offered, in our opinion.

However, we can't see it in the morning,

and try to watch every Friday evening,
but have missed too many. I am
hoping you will put the series on tape
and offer it for sale. It would be terrific.
IF so, how can I sign up for this?
Also, when you get to President Eisenhower,
I may have some personal information for
you, since my late husband, [REDACTED]
(Coca-Cola CEO) was a very close friend;
golf and bridge companion.

Sincerely,
[REDACTED]
