

Mr. Lamb: Despite my abridged, Friday only, viewing of your show, I note that you continue to flog The Washington Times as the legitimate "Washington's second newspaper." You, and the secret, foreign money powers behind the paper know better. So do a lot of us out here in the boonies. Your bias is showing. Sincerely,

SUBJECT: BASH BUSH HERE

Looks like the Bush Bash of the year will be in the Aug issue of "Spy" magazine. It contains a reportedly in depth, elite approved, expose of The Wimp's sex indiscretions.

Funny thing is that C-SPAN's closet right-winger, Bryan Lamb, was the first to (reluctantly) let the cat out of the bag. Rush Limblob has been strangely silent on the subject. Anyone know why? [REDACTED] in SE Florida.
