DEAR C-SPAN,

I regret I am not writing to you on more formal stationery; please excuse me.

I am writing regarding your "de Tocqueville" tour. Please, emphatically note, that I wrote "de" before the name "Tocqueville." "de Tocqueville" is the full and correct name and when I see "Tocqueville Tour," it always sends out a negative message. Surely C-Span people are educated enough to know this yet, you continue to omit the "de." Omitting the "de" in "de Tocqueville" is like omitting the "Mac" in "Macdonald." I hope I have made my point and I hope you will correct your error. Also, I trust you know that "de" before a name is a title.
