12/30

Brian -

Last Mon. a.m. (12/23)
you opened "W. J." with
article on N. Gingrich.
For I has the drum-
beat continued; I listened,
hoping the subject would
change. It didn't!

On Tues., the
drum beat continued. I
zapped my remote.

Then I spent the
next 4-5 days enjoying
Christmas. I returned →

on Sunday, & looked forward to C-Span this a.m.

What do I get!? There you are, starting the program again with an article on Newt & continuing with Newt for the next hr.

with Sus. Page & intermittently with Parshull & Jodie! I thought for a few moments that I was playing re-runs from last wk's C-Span, but, no - so at 8:40 I shut you off.

I cannot believe your obsession with Gingrich?!

you open the show - you set the stage for this

commentary - You may not be biased, but what does →
