Bougainvillea
Marathon Fla Charge of
33050 C - Journal

I watched Wash. Journal
this morning & was so
disgusted with the
format you have. Rep
Bonior from Mich.
sat there & told lies
all during his 40 mins
& there is no one to
dispute his lies. A few
years ago you had 2
opposing views & the
guest couldn't tell lies
with out rebuttal which
cut down on lies being
told. It was much better
