

To Whom it may concern,

Enclosed is a card for C. Span.
Recently my husband and I watched part of Tip O'Neil's funeral. He turned in late so we only got the eulogy of his friend, a granddaughter reading the gospel and Thomas O'Neil's eulogy.

We were wondering that since we saw only part of it, if there was a video tape that we could buy.

We're pretty sure that the mass was taped with a cam. recorder as we have 3 of them in our family.

Could you please let us know as soon as possible?

Thank you
