Dear C-SPAN:

cc: T. Murphy

Thank you for your outstanding network and the variety of informative programming it provides.

MAR 2 - ANS'D

Recently I particularly enjoyed your inside look at the Time Magazine operation. My only regret is that I was unable to see all the segments. I also enjoyed another show you did on an insider look of a Congressional office. I hope you continue more of this kind of programming. I would be very interested in learning more about the White House operation including historical perspectives.

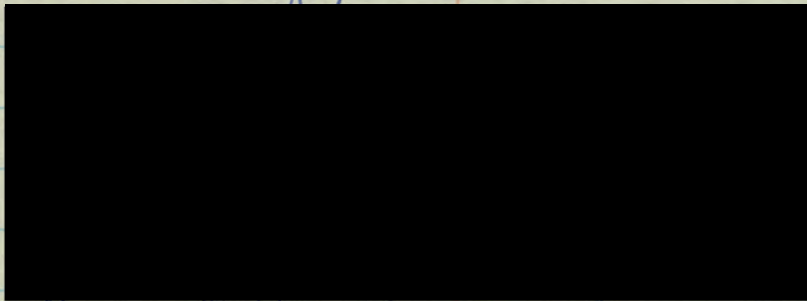

What I believe makes your programs and network such a success is your variety.

P.2

This added^{ly} the fact that you do not need to shock, sensationalize, or editorialize like all the other networks makes C-SPAN a truly refreshing alternative.

Please keep up the very good work that you are doing!

Sincerely,

Grand Rapids, Michigan 49505
