all - if present format continues, I'll watch  
(occasionally) from 7-7:30 & Today, Mr. Ken-  
nard (as with others) gets 30 min of free air  
time to push his agenda - more access to tel. + cable  
for everyone - this is Gore's agenda (when I saw that Ken-  
nard was black, I knew where he was coming from) -  
He actually seemed embarrassed when 2 callers com-  
plained about fed. tax on Long dis. calls - Mr. Kennard,  
as with other well-intentioned LIRS, doesn't seem to  
realize, or doesn't care, that the M.D. class pass & his  
lofty policies; I resent the fact that NO one is  
to debate, or present another pt. of view, or pt. of T. or -  
given full stage to political appointees is a disservice
