C-SPAN
Suite 155
400 N Capital St. N.W.

I watch C-SPAN because it offers the most reliable, extensive and objective informational programming available; presenting live uninterrupted congressional proceedings, various call-in programs, speeches and seminars of national concern on a first hand basis rather than programming of short edited segments.

With C-SPAN the live issue by issue facts are expounded and the individual viewer is allowed to formulate responsible individual opinions. It seems that conventional media is eroding us of our individuality by shaping us into polarized boxes of rich verses poor, male verses female, liberal verses conservative, or minority verses majority. Principally I watch C-SPAN because it thoroughly equips me with knowledge to make a first hand opinion, there-by aiming me toward building bridges of reason rather than boxes of isolation.

While some are uneasy by our rapidly changing high-tec cable media, I am only encouraged by C-SPAN's splendid contribution to maintaining our unique pluralistic society.

Additionally, I watch C-SPAN because their 24 hour schedule, with regular rebroadcasts are of special value to we Americans who live in the remote time zones of Alaska.
