Mr. Brian Lamb
C-span

Dear Sir -

Just a note to
thank you for the
2 hr. interview you
had with:

Mark Miller &
Tom De Frank

on your program.

It was so informative

I watched it once &
taped it the second
time in order that

2.

a friend could enjoy it.

There isn't a day that I don't watch the station.

I used to hear people say, "I saw & heard it" on C-Span.

When interviewing individuals, I like the way you give your guests plenty of time to speak before moving to another question.

Look forward to many more of your programs.

Thanks again

Also, enjoyed
hearing representatives
of Indian nations
from Cleve. Ohio.
