

To whom it may concern,

On April 23, 1994, I caught a few minutes of the White House Correspondents' Dinner. I really enjoyed the content as well as the humor. Are you planning to air this program again? If so, would you please let me know because I would like to see it in its entirety. If you are not going to air this program again, is there a video that the public can buy. Please let me know as soon as possible because I can not wait to see this program.

I would like to take this opportunity to express my amazement of how much I have enjoyed the segments I have seen on C-SPAN. You capture key moments and share them with the nation. The next time I am flipping thru the channels, I am going to make an effort to

stop on Channel 21 to see what
is on C-SPAN. Thanks for the
great coverage.
