Dear Mr Lamb,

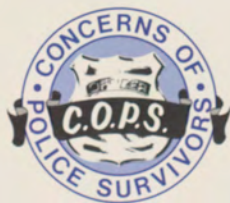

Please let me add my voice of extreme appreciation for C-SPAN. What a breath of fresh air! So many news shows and talk TV/Radio are slanted, with tons of commercials. With guests on all sides of the issues and probing questions from you and the other moderators, we the public get a terrific overview. The calls coming in surely provide the nations pulse.

I watch your show each morning at 5Am and if possible catch the book review ahead of it. I'm sure many of us find your early AM programs more valuable than sleep.

I particularly admire you and Susan Swain although all of your moderators are great. How does Susan look into the camera so pleasantly for so long while questions are being asked? Just fantastic!

Instead of Aussie & British Parliaments, how about more call in shows.

Thanks for the tremendous service!!!
