

Dear Mr. Lamb:

July 7, 1993

I am a big fan of yours but a first-time letter-writer. I hope someday you can invite journalists to your Friday round-table: Bob Kur of NBC; Brit Hume of ABC; Jack Kelley of USA Today; Howard Kuntz of Washington Post. It's always nice to see new blood on the Show.

Thanks for paying attention to my suggestions,
Kind Regards,
God Bless,
