Dear Sirs,

I would like information, as to whether I can buy tapes of some of your programs and what they would cost. I am particularly interested in Ross Pirot's testimont before the Banking Committee, I believe on April 22, 1993 and his testamony on congressional reform. I am asking about Vidio Tapes of course. We do not get your station on our cable.

Hope you can help, and will be looking forward to your reply.

Thank you very much,
