

A great con game = C-Span

To Steve (Host) whatever O.W.)
Why don't you read any R
positive stories re: Gore?
Republican you are but is
that an excuse?

Example: THE WATERLEVEL
you so frequently mention
was to be raised anyway
in 4 hours! Why don't you
include that?

AND today (7-25-99) in the
1st 40 minutes of W.J.
you mentioned Leo W. Bush
so many times I lost count
before I threw up and
changed channels.

Oh well - it's your cable money,
your airwaves and while

I'm venting, I think it is
disgusting the way Mr. Lamb
sits there and smiles sweetly
while your buddies call and
insult the man from
The Nation - every time he is
on!!!

No address - I understand
it would be An Exercise
In Futility!!!!

#2.

You can both relax - D.W.B.
is bought and paid for -
he will be the next Pres.

Will you have as many Bush
Haters on C-Span as you
have Clinton Haters? Or
has fairness completely eluded
your people?

And - since your third line
is not named appropriately,
please name it The
Liars Line!

Not Happy With Unfair
Programs. All of my
Republican friends love
your program & my
Democrat friends turned
you off long ago! That
is what your aim was
directed. Sorry for you
