Usually we appreciate the programs presented on CSPAN and are glad that it is available to us. We not only enjoy it but we think it is a good format of information not obtained elsewhere. However the Rush Limbaugh show today in our opinion was a very poor choice. He has continous dirrahea of the mouth . After listening to him for an hour or so we wonder if the orange juice he is selling is a laxative. Thanks for exposing this ridiculus program but PLEASE DON'T BRING HIM BACK . He acts more like a juvenile having a tantrum than an adult host for a talk show.

Sincerely,
