C-Span are still the Best
program on T.V., even though You have
Some Quire Guests.

You have to women Hostesses that
are pirfict on their Jobs, they Should
Start a School to educate wemon News
reportors and Journalists. Most of them
think they know too much, And Have
all the ansures, they talk to much & inter-
upt each other. that is why I do not
Like wemon reportors or Congress wemon

I think as others did that the
Nixon Eulogy was a Sharade, Over
done and Costly to the tax payer.

Very much out of order for an
empeached President. its Seem's
every thing is Over done.

N.A.S.T.A. was weeks & weeks on
the air then nothing more was heard

let them go after Congress, their

The house of rep. is a Circus..
know wonder they get nothing done.

Term Limit is a must. We have
to get rid of the lifeiers, We need new
