Dear Mr Lamb,

We are longtime viewers and admirers
of C-SPAN and your leadership.

We especially value and appreciate
your objectivity and impartiality concerning
political issues.

We were, therefore, disappointed and
surprised last Sunday when you replayed
Governor Cuomo's speech right on the
eve of the New Hampshire primary
election:

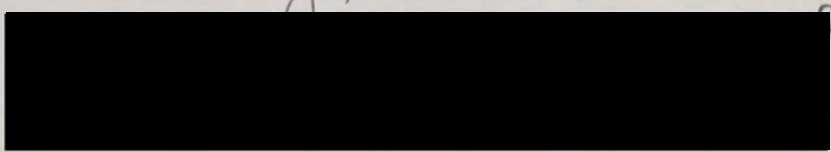

We believe it was very unfair to
the candidates who entered the
race and who have been working
- over -

Do Hard in New Hampshire.
We believe that it is no accident
that Governor Cuomo selected last
week to speak at HARVARD - and we
have no objection to your carrying
his speech live.

However, replaying the TALK ON
Sunday seemed to us to be
simply a political commercial.

Mr. Lamb, thank you for your
extensive coverage of New Hampshire.
After watching and listening for
hours, I think I know the
answer to E.J. Dinne's statement
"Why Americans HATE Politics" - The
answer is - they don't!

Sincerely,

000740 FEB 26 92
