To Whom It May Concern:

Recently Ross Perot spoke to Congress about NAFTA and other things. C-Span says that their reason for not carrying this program was a " management decision " and bla...bla...bla. Well, I have now listened to a tape of the testimony and I well understand why C-Span did not want the general public to hear the TRUTH about NAFTA in the words of Ross Perot. What you did was exercise " censorship " against Americans. I sure am glad that my company has " Professional " management, instead of C-Span type management.

Cordially;
