Hi Locke -

I noted 2 Republicans  
on our C-Span shows  
last month - what's  
going on - this is  
@ not right - please  
see if doesnt happen  
often - election year you know.

Ted Kennedy did  
great job last week -  
he was on our C-Span  
practically all week-end -  
the way it should be,

We heard the D.N.C.  
now owns C-Span, hope  
this is not just a rumor -  
you are doing so much good  
for the Clintons -, give them  
all the free spots you  
can, we have to stick  
together the way those  
Republicans try to - we  
won that impeachment deal,  
C-SPAN - you are so  
good to the Democratic  
Party & we appreciate it,  
continue keeping the  
Republicans off our  
show as you have been  
doing -
