Dear Sir:

We get C-Span I but not C-Span II.
We would like to be able to see some
of the Senate also.

Would it be possible to replace some
of the reruns of the programs on C-Span I
with tapes of C-Span II? You could then
play the tapes of C-Span I on C-Span II.
That way there would be coverage
of the Senate & Reps. on both channels.

We love C-Span. It is the best
channel on T.V. Thank you for it.

Sincerely,
