

Dear Mr. Lamb —

So many times I have heard callers Phone in and ask about the Tri-Lateral Commission and Council of Foreign Relations —

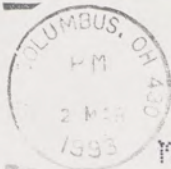

What luck — Sat. Morning (2-27) I happened on a speech by John McManus — President of the John Birch Society — Well — he explained it all — So now it's clear to me — He is Great! —

Could you please invite him on one of your call in shows?

He is one of the most interesting individuals I have heard in many months —

Thank you for your C-Scan —
You are wonderful —
