You must feel deeply the AMERICAN
People are dumb; unable to
rationalize good People; disinterested
in the 2000 election!
You must have it in your
Programming to belittle the
AMERICAN VOTER!

Don't continue to sling Mud at
us VIA DONALD TRUMP or
Boss Perot; or traitor Buchanan!
Don't sling that Mud at us
damn it!

O-RTHW

We have lived through 7 years
of slime, sex, dishonesty, liars
of horror! We have been subjected
to a Media, electronic and written,
that belittles us every single day!

We'll show you in
year 2000, that you have
let us down morally; and
patriotism does not exist
in your programming or
news! Your "theory" as to
what former Presidents
consisted of and did! Disgusts
us all! Clinton is a total
disaster to Mankind! His wife
is a traitorous socialist
Communist! Coward!

You have let us down!
But we'll show you ⁱⁿ year
2000, 'You bastards'
