Dear C-Span:

My name is [REDACTED]

[REDACTED] I am interested in competing in your contest regarding your T.V series about the presidents of the United States. I have watched and continue to catch your extensive documentary on our chief executives through history. The broadcasts have been very enlightening. Thank you, C-Span.  
Please send me your rules for the 18 and older category in your

competition. I would appreciate that  
very much. Thank you.

I am  
yours truly
