

kudo of thanks for the nice
show you have on Channel 16
at 8:PM. You bring back memories
Dream was one of my favorite
songs way back then. I'm 82 yrs
old & we just celebrated our 60th
wedding anniversary May 6. Your
guest Joe Nelson is to be commended
as when we had our 50th anniversary
10 years ago, he sent us a picture of us
that was in the Journal & had it
laminated. What a fine gesture..
You have very interesting
personalities on your show..
I belong to Pierce Sr Citizens & I
shuffle board every Monday morning.

O-W-S Bless you,
