C-span,

I am very disturbed over  
your airing a program called  
Road to the White House 1996.  
Please, President Clinton is  
our President - let's give  
him and his plans our  
attention. He deserves our  
interest - let's back this  
young man of vision  
and give him a chance.  
I rejoice in our Democratic  
President and stand behind

him: 100%. We are  
tired of the campaign  
mode you continue  
to upkeep. It's over —  
— President Clinton com-  
It is his time to be in  
the spotlight.

God bless our President  
and I pray He guides  
him on his path to im-  
prove life for all  
Citizens of our great  
Country. Support him!!  
Sincerely
