I've tried to call
you to no avail.

Is C-span 2
available in my area?
I have J.C.F. Coble &
Bet C-span. They said
they didn't have room
for C-span 2.

I heard Eugene
McCarthy, and he seemed
to put his finger on
one of our problems.
That the President is
usurping the Legislative
Process with too many
vetoes. He's supposed to
execute the laws that
Congress passes.

I would also like
for you to arrange

004300 367400
A program soon to
explore an idea that
"we hope soon become
a part of the Politician
by the Politician, and for
the Politician." Be
a good debate.

I appreciate your
public service to us
on your extensive coverage
trying to educate us on
what's going on.

Yours sincerely
