Dear Mr. Lamb,

now we are being beluded by  
revisionist history. Your guest, 6/25  
Mrs. Charlotte Hays, Editor, Womens Quarterly  
said, "The liberal media was fooled by  
Bill Clinton, they should have exposed  
him for what he is, before the 1992  
Presidential Election." The liberal media,  
were very willing to aid and abet, Thug  
Clinton, to place him in the White House.  
It's below contempt to even mention,  
that the pro-Clinton liberal media was  
fooled in the very least by the Thug  
President in both Presidential Elections in

1992/1996... It was the liberal media  
who covered up for Slick Willy, ad  
nauseam, in order to make him a  
two term, Presidential disgrace.

Sincerely

P.S. Every American was aware that  
Clinton was and is a "career thug,"  
before 1992, now the media want to  
apologize for what they foisted on us  
by saying, "Slick Willy fooled us completely  
since 1991."
