"AMERICA'S FIRST TEAM"
OPERATION IRAQI FREEDOM

Dear Peggy,

What a wonderful treat delivered to me today from you! I don't know how much [REDACTED] told you about me, but you hit the bullseye when you sent me a book for a "political junkie" and a "cspan junkie." I get lots of politics here but not the kind I want! I am also a "lefty of all lefties" in the ranks of the [REDACTED] Cavalry Division, which is unusual but not unheard of. Candidates like to treat the military as a constituency but we're not all alike. Anyhow, I am just thrilled about the book (signed!) and I am so grateful for your thoughts and kindness. Thank you, and please pass on my compliments to Mr. Lamb next time you see him.

P.S. - I hear you are doing great things for Perftech. Keep up the good work!

Your friend,
[REDACTED]

IT'S A GREAT TEAM, IT'S OUR TEAM, IT'S THE FIRST TEAM!
