Dear Mr. Lamb,

Recently, as I was watching your program, you were interviewing a Republican on policy and strategy.

A woman caller made the statement that "The job of the Republicans is to fight the Democrats!"

I regretted that I didn't have your telephone number at hand. The view she expressed was not only appalling, but unfortunately seems to be held by many Republicans. My reaction was to say, "I beg your pardon, but the job of the Republicans is to do what is best for this country, just as it is the job of the Democrats."

As I have listened to C-Span for a long time, my impression has been that you try to be fair and unbiased. Would you please do what you can to convince irresponsible Republicans
