

To C-Span

July 27-1995

To Sue Especially

I couldn't even eat my breakfast  
this morning

I watch C-Span every morning &  
find Sue & Steve Scully - most  
of all - very one sided.

I agree they are nice to look at, but  
very prejudiced. They both give  
more time, more often to Left wingers.  
That Mrs Jackson spoke for over 5 min.  
~~twice~~ twice and then when some one  
says for a call - she says "We haven't  
too much time" also - she <sup>or he</sup> doesn't  
give the other person a chance at  
all.

It's bad enough - Dodd - Casarova of  
Conn. ~~sent~~ with his regulations on  
Conn. TV - we don't get C-Span 1 or 2  
all day anymore - especially evenings  
After someone works all day - all

They get in Conn. are Wentworth and C-Span  
2 - goes off at 6 P.M. - until 3 A.M. -  
Nothing on - until then - when we  
have to watch 24 hrs. of one hr. repeats

You have cut down Calls - in -  
I'm not interested in "Magpies" - who  
talk on & on about slavery - ~~It~~  
No matter what the subject - that's  
all you hear - When will you ask  
them to "stick" to the subject ???

Please try to be more fair -  
Give both your guests - equal time  
and both a chance to talk.

How come you don't ever have a  
Black Republican on?

Don't forget we are all Americans  
and we pay your salary -

I'd like an answer. My hand  
is shaky - because I'm angry -
