Gentleman -

Along with many others we send you our thanks and Congratulations on your Presidents of America series. We think everyone should be watching it.

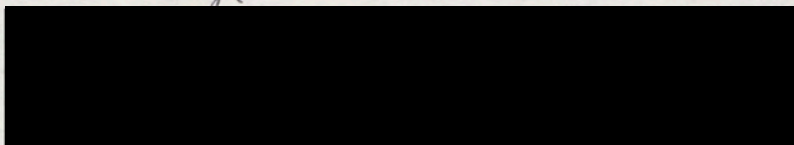

I have a few questions. Is there anywhere a copy of your schedule may be obtained? We have access to two (2) TV guides and neither shows C-Span. The other question will this series be repeated at a later date. Right now we get the show Monday 9AM - EDT and Friday 8PM - EDT. Perhaps after the last President series airs at some time this will be done.

Again Congratulations and keep up the good work.

Sincerely.
