Brian,

You trying to diss me, old friend? I tuned in Booknotes on March 3rd and you've got HCL (her common lowness) Hellary Rotten Klingon to disgust her book "It Takes A Hypocrite". I know, I know...she came to planet Earth from far-out Zarathrustra to do good to the rest of us but only ended up doing well (in commodities).

WHY? Why her?...there are so many deserving, lesser known writers and authors out there that could use a nudge; so many of us (the common clay) who don't have access to everything the publishing world excretes. She doesn't need your help, we don't need to know more about her...she gets all the help and P.R. from her publisher, from her public position in life, from God knows how many avenues and angles that an elitist has available on call.

I couldn't stand to watch it for more than a minute or two. Say! she didn't look as though she was going to enjoy your interview in the slightest...looked more as though you were going to assault her...like she expected a lethal injection...like she was wondering if her tetanus shots were up to date....

Did you have fun?

SUBJECT: The Truth Political Candidates Financing
TO: Voters Who Want The Truth

TAPS was born when a small group of Democrats and Republicans got together to express our anger at the sales of political offices. So we decided to complete our research and publish the results for all to see. More than 1,000 voters have been surveyed in SLO & SB Counties with the following results:

Q. Which candidate accepts campaign funds from tobacco companies?

A. Seastrand - R.J. Reynolds & Philip Morris.

Q. Which candidates have accepted funds from mobile home park owners?

A. Seastrand, Bordonaro, & mobile home park owner/operator Steve MacElvaine.

Q. Which candidate accepts funds from oil companies?

A. Seastrand - Shell, Unocal, Richfield & others.

Q. Which candidate takes funds from Browing-Ferris Garbage Co., of San Jose?

A. Seastrand.

Q. Which candidate has reported interest received from oil stocks?

A. Seastrand.

Q. Which candidate has accepted funds from Hollywood Park Racing & Quarter Horse Racing?

A. Seastrand.

Mobile home park residents are concerned about the funds from park owners going to Bordonaro, park owner/operator Steve MacElvaine & Seastrand.

Environmentalists are concerned about funds from oil companies being donated to Seastrand.

The above questions were asked of voters in our survey. Most voters surveyed indicated that they are working for the defeat of Bordonaro, MacElvaine, & Seastrand. The same voters stated that they are asking friends & neighbors to join with them to ELECT:

- **CAPPS - CONGRESS - 22nd District •**
- **O'CONNELL - STATE SENATE - 18th District •**
- **ASHBAUGH - STATE ASSEMBLY - 33rd District •**
