I am writing this note to thank the management at C-Span for airing the various programs with Ross Perot. I found them to be very interesting and informative. At a time when other major networks refuse to sell airtime to Mr. Perot, it says a lot that C-Span does not set their own agenda ahead of the public's right (and need) to have fair, unbiased news reporting.

Thank you for your efforts to provide the American public with information which will help us to solve some of our country's problems. Without a fair and accurate exchange of ideas, this would never be possible.

Sincerely,

Monroe, CT 06468
