Dear Sir,

1992 CONGRESSIONAL HANDBOOK

I will be grateful if the ¹⁹⁹² Congressional Handbook is sent to me. I am a student of International Relations and I need the 1992 Congressional Handbook for reference. I don't know how much it will cost to get a copy and moreover the dollar is very expensive here. So please help send me a complementary copy for I need it urgently.

While thanking you in advance for your anticipated co-operation I look forward to hear from you. Regards.

Sincerely Yours
