Enclosed is a copy of a letter that we sent to the Chairman of the Judicial Committee, Henry Hyde, by overnight mail at a cost of \$10.00.

We have both telephoned each of the Washington State Congressmen in Washington, D.C. as well as both Washington Senators. We have called these offices twice as well as E-Mailed at our cost.

We also called Chairman Hyde's office 3 times, requesting impeachment of Clinton. We hear about these polls of so many people requesting that Clinton not be impeached. We don't know who the people are that they poll, neither of us have been polled at any time by voice or mail.

The enclosed letter explains in exact detail, what our thoughts are and what we have requested our Government leaders to do in the Clinton case.

You have our permission to voice this mailing, to print it, or to forward to anyone concerned.

We very seriously desire justice for the crime of lying under oath, misusing our House and our time for his sexual activities, attempting to sway others to lie, and the misuse and abuse of the high office of President of the United States.

Thank you,
[REDACTED]

Congressman HENRY HYDE
2110 Rayburn House Office Bldg.
Washington D.C. 20515

I [REDACTED] vote for the impeachment of Clinton.

I [REDACTED] vote for the impeachment of Clinton.

**IMPEACHMENT for Violating the Law, Lying under Oath, Obstructing of Justice,
Abusing the power of the Office of the President of the United States of America!**

Please do not accept his resignation, if he so chooses. We do not want another
Gerald Ford type pardon. We want to deny him of all civil benefits, including
pension, protection, retirement, and travel.

We do not need another O.J. Simpson trial.

We want restoration of the honor, dignity and reliability of the Office of the
President.

We need to restore our confidence in the Justice System.

[REDACTED] voted for him and now is voting him out of office.

We are both very dismayed by the actions of those supporting Clinton on the
Judicial Committee; [REDACTED] feels, in particular those from Texas and California.
[REDACTED] was disappointed in all of those who showed hatred in their treatment of Ken
Starr.

Clinton's attorney proved to be as bad as Clinton.

Thank you for your energy, perseverance, time and wisdom in serving our country.
