

C. Spear

Washington Journal

N. Capital H. N. W.

Washington, D.C.

If the Gr. was to only be 6 mos.  
out of the year or not at all,  
what would C. Spear do ???  
Go out of business. — —

Monday program was really a  
mix-up. Getting more and  
more everyday just like the  
politicians and those so-called  
guests you have — — —

Bacon just can't wait to get to  
Alexis and the next SEGMENT.  
Has really become disgusting.

C. Spear has become another free  
and cheap adventure, maybe FREE  
but promoting same. 81 W

If Bacon is so hyp on Lumbard, let him  
get on with the Irish Boy.

Being a Republican, Bacon had a field  
day with only <sup>we</sup> guest from the Right.  
Missed a couple days last week  
watching. If the program still pass

as it has been the last week or  
so. I'll miss or not mind, just  
not be bothered with you.

Don't get the idea, I am the ONLY  
one who feels this way. There  
are loads more I have  
called in and Bklyn or Connie  
got in a huff. There are 2 who  
I've said no and won't take  
criticism.

"Kao-ping" Bureau is all excited!!  
Gang to Green Bay with Alfie. &  
Lomb Friends ???

Hope the rest of the week Week Journal  
is better than today or even since  
Congress left. I'll be changing my  
listened and watching pointers of the  
A.M.

This has been a waste of time.

Also the politicians say they go home. Did  
any program like the 4<sup>th</sup>, 5<sup>th</sup>, or whatever  
you see them in D.C. Also they always  
show up anywhere to be seen or  
heard in D.C.
