

Please (if possible) advise me of the
classical theme played at about
10³⁰^{a.m.} C.S.T. - 6/17/92 Thurs. during
electronic vote on Journal in
Hse. of Rep. It's the most beautiful
piece of classical music I've heard
many times, but don't know title.
Could you give me this informa-
tion? would appreciate very much.
