Dear Mr. Lamb:

This morning on C-SPAN our admirable Paul Greenberg, editorial page editor for the Ark/Democrat-Gazette in Little Rock appeared on your program. Unfortunately, I did not see it; but my husband reported the excellence of the show. He tells me there was a listing of all our Federal Congressmen and Senators with more than a Million \$ income. Please send me a copy of that information. Lots of folks who aren't interested in politics, might decide it is worthwhile to study after all. I'm a strong proponent of limited terms - and to me this would make a strong argument for limited terms. This arrangement worked beautifully in the structure of Toastmistress Clubs. Thanks for your kindness. We watch C-SPAN most of the day.

Sincerely,
