

Shame on C span  
for letting a Clinton  
lover for so long  
have a hr of hate  
against D. W. Bush.  
he's also going to have  
2 more books on his  
hatred against Bush.  
shame on you for  
letting him have all  
that time on C span  
without someone on the  
other side.

I'm just sick my money is  
going to C span
