

April 18, 1984

C-Spann  
Suite 155  
400 North Capitol NW  
Washington, D.C. 20001

Sirs:

I watch C-Spann because, for the first time, I can become truly informed in order to exercise my rights and duty as a citizen of this great country. First hand knowledge of federal government operations and its related

institutions is imperative.

I consider C-Spann the most important information channel in the country.

Thank you C-SPAN - I am grateful.
