

Gentlemen:

~~Shirley~~

June 8, 1993

I appreciate the time and effort you gave
to the new graphics on the screen,

My 80 year old eyes finds the letters, etc
blurred - maybe an outline on the figures and
letters would help

Thank you for putting that information
on the screen,

Keep ~~it~~ up the good work!

A C Span parties

Shirley, L. 71148

Please give Paul Dunnington from
Little Rock, lots of appreciation.
He thanks you!
