

Mr. Lamb,

O.W.)

As I write this note today Aug. 20. I noticed that Susan, Couldn't wait to get a Liberal reporter from Mass, off the air. So this station could start Campaigning for (Nute the Speaker)

This station C. Span has now become a Campaign station for the Republican Party. You people will deny this, but last month you had back to back Republican Congress people, running for ~~re~~^{re}election.

You have also had a blond nut out of control, that needed her medication. Come on what is this station coming to?

Oh! about Linda Tripp, she ~~she~~ has been out and about in Virginia, in the process of buying a \$2 Million horse farm. Now where do you suppose she got that \$2M? Was it this station that gave it to her? I wouldn't be a bit surprised.

over

you have two male hosts
on this station that very
convenient loose the Liberal
calls. Now isnt that fascinating -
I wonder where the Liberal
media & Congressman are? Not
on this station. I ~~am~~ ^{am} tired
of the unfairness you people
are doing

A very concerned Senior
Citizen, in Almond
Beach, Isl.
