

7:59 pm, Sun. 11/23/97. Dear Brian,
I'm so happy you chose Anita Hill to
be on BOOKNOTES. I didn't watch the
hearings, but after hearing what she
said & watching how she acted, I
totally believe her. I can't imagine
anyone watching tonight would feel
differently. Good for you to have her on,
I can imagine a lot of people would
just as soon ^{have} had you not.

Regards!
