

Wash. Jr.

6-19-99

Why didn't you mention that
Mr. Dingle (D.) was the one who got
45 Dem. to vote with him on
the Gun Control issue therefore
it wasn't the Repub. but the ^{Pres.'s} Dem.
who voted against the ~~Pres.'s~~ wishes.
You Sibs are very devious:

Morrissey did not ^{know} the just
about George W. Bush's drinking.
Why not? - does he want to let
~~let~~ people think he will drink.
He knows he hasn't drunk in
11 yrs.

I'm sick of Wash. Jr.'s one sided
view of politics. I'm a Repub.
which I'm proud of, & I don't
believe most of the people you
have on this program. Morrissey
is a case in pt. Richardson
Berger & Reno should be fired.
They all are dishonest. Thank
God, we can get more honest
presentations from other Channels.
John Gibson from MS NBC is very
fair. He's not one sided. Of he
isn't, he's one I trust.
