

Dear Mr Brian Lamb,

I would like to thank you for the opportunity to participate in the Close Up program held in Washington D.C.

For the first time I realized I have an interest in our government. I feel inspired to become an active member in our government.

I especially enjoyed meeting Senator Kerry and watching the democratic process in action. I am determined to make my voice heard and my beliefs known to my Congressmen. I hope every student will be able to participate in this invaluable program.

Sincerely,

Thank you
