Dear Mr. Lamb,

My name is [REDACTED] and I am one of the students from New York that attended Close-Up in the Spring of '93. I would like to thank you for your support of the program.

My experience in Washington was greatly beneficial. Not only did I learn more about our gov't and history, but the exposure to the other students from different regions of a country re-inforced the pride I have in the U.S.A.

As diverse as we may be as a society, we are all united, and programs like Close-Up instill this concept in the youth of our country, thus ensuring prosperity in the future.

Thank you again.
Sincerely,

[REDACTED]
